

MONTHLY NEWSLETTERS printed on the back of the bills are designed to keep you updated about important issues and events in our community. Please take the time to review the back of each bill so you can stay informed. Newsletters will also be posted on our web page rollinghillsglencairn.com

WATER SYSTEM Our water treatment facility is managed by **Island H2O**. To report an after-hours water emergency, call **Jon's Cell 360-239-3811** or Jeff's Cell 360-239-3809. This year, we have installed new filter controls and completed a new water pressure regulation system which maintains a more constant water pressure throughout the community. Future projects are on hold.

The **COMMUNITY DOCK, BEACH AND PIER** are private membership amenities for you to enjoy. In 2019 our float was repaired and brought up to current aquatic standards as required by the Department of Natural Resources. The float will be returned by Memorial Day weekend and will remain in place through Labor Day. This facility is for day use only. There is no overnight moorage! Please respect neighbors space while walking the pier and using these facilities.

The **Basketball court and Baseball field** are available to use on a first come, first served basis. Please maintain social distancing while using these facilities or state regulations will require that we close them! **This means only one household at a time.** For evenings, there is a push button light on the light post. Respect the neighbors and do not play after 10:00 pm.

Rolling Hills-Glencairn Pool Information, Rules & Regulations

Pool: 360-678-4469 Office: 360-678-7446

We are anticipating the pool will be open by July 1, 2020. This season our Pool facility is for members only with a current Pool Card. The Pool Use Application & waiver are included in this newsletter and are available on the website rollinghillsglencairn.com. Fill out and return the signed forms to the office. Once the signed forms are received in the office, your card will be included with your next billing statement or may be picked up at the office.

The tentative plan is to open the pool on a restricted basis that will comply with social distancing while allowing all members to safely enjoy the facility in **household groups only**.

Members will be able to reserve 1 hour time slots, both 1 week in advance and on the day of use if space is available. We will do our best to make sure all families have the opportunity to use the facility multiple times weekly. Limits will be updated and determined depending on use.

Example: Family A will reserve Friday at 1pm. They will be admitted at 1:05pm and will be required to leave at 1:55pm. This will allow 10 minutes for sanitizing before Family B arrives at 2:05 pm. No friends, guests or large groups will be allowed. Immediate family members living at a single residence will be allowed at a time. If necessary, proof of address may be required at the pool with your pool card.

A schedule of availability will be posted on our website for viewing but you will be required to call to make your reservation. There is no additional charge for this private use of the pool. **See our website for updates, pool forms & schedules.**
