## April 2025 Newsletter

**FULL SYSTEM FLUSH PROCEDURE.** Rolling Hills-Glencairn main water lines will be flushed on **Tuesday, April 22<sup>nd</sup> and Thursday, April 24<sup>th</sup>**. A full system flush consists of closing and opening main water valves strategically throughout the community to run water through all the main lines and out the fire hydrants. This procedure cleans out all the water lines of sediment that can build up over time. **DO NOT USE ANY WATER** during the flushing. You may have water in your home sporadically throughout the day but using it will only delay the restoration of supply to everyone, and it may pull water in the wrong direction. If you use water during the flush, stirred up sediment may be pulled into your house or one of your neighbors. **When the flush is complete, we suggest you turn on an outside hose bib and let it run until you see that it runs clear** (about 10-15 minutes, depending on how far the hose bib is from the main). Oak Harbor Water Management flushes in sections, only the streets flushed need to run their own faucet to complete the flush in their area. There is no need to run faucets if your street was not flushed. The website will be updated at the end of each flush day with the streets that were flushed and all other pertinent information. Flushing begins at **8am and continues until 5pm**. You will know when the flush is completed when the signs are removed from community entrances and **if we have a current phone number on file for you in the office, you will receive a “Robo-call or Robo-text” from RHGC as the sender with the notification.**

**Parking on the streets...** If you park alongside the street and two cars cannot pass each other, you create a hazard. These are county roads, not private roads. We realize that you may need to “occasionally” park on the street because of overflow, but if you use the street as a **daily** or even worse **nightly** parking spot you will be reported to the Island County Sheriff’s Office. If you do park on the street occasionally, please make sure that you are not parked on a hill or other limited visibility spot.

**Easter egg hunt April 19<sup>th</sup> sponsored by African Genesis Lodge #101.** The event starts at 11am on Sat the 19<sup>th</sup>. There will also be Hot dogs and drinks provided while supplies last. Bring the kids down and have a fun time. (Event not sponsored by Rolling Hills-Glencairn Community Service, Inc.)

**Hiring part-time lifeguards** for the Memorial Day Weekend and the 2025 summer season. Applicants must have a current lifeguard certificate or be able to get certified, be at least 15 years old, and be dependable and responsible. John Vanderzicht Memorial pool usually holds certification classes over spring break if interested. Please call the office for more information 360-678-7446.

**Board of Trustee meetings are held on the 2<sup>nd</sup> Tuesday of every month.** The next Board meeting is scheduled for Tuesday, April 8, 2025, at 7pm at the clubhouse. All members are invited and encouraged to attend.
